

FLEET HOTSPOT

High-speed crew internet access made simple. No smartboxes, no administration and completely independent of your vessel's bandwidth.

Fleet Hotspot provides a high-speed connectivity service to crew with the freedom to use their own devices. Crew manages their access whenever they need it. The self-service portal allows them to purchase packages with flexible payment options.

FLEET HOTSPOT

We know just how difficult it can be to spend months at sea, isolated and away from loved ones. That's why we're passionate about extending the digital comforts of home to the ends of the ocean. With Inmarsat's award-winning Fleet Hotspot, you can enhance the value of your vessel competitiveness, and attract and retain talent by providing high-speed internet access to your crew. Crew can simply log in from their personal devices from anywhere on the vessel at any time.

SEPARATE CONNECTIONS FOR BUSINESS AND CREW

Powered by our industry-leading Fleet Xpress service Fleet Hotspot is completely independent of the vessel's bandwidth, and can be used to provide internet service to 3rd party visitors / contractors. Maintain your operations and never compromise on safety with the connectivity you can rely on for complete peace of mind.

NO ADMINISTRATION

Maintain your operations and never compromise on safety with the connectivity you can rely on for complete peace of mind. There's no additional hardware, smartbox or company administration required.

IMPROVED COMPETITIVENESS

By providing high-speed internet access to the next generation of seafarers with Fleet Hotspot, your vessel competitiveness is enhanced.

Fleet Hotspot high-speed internet access vouchers are a simple and easy way to reward and retain crew. And with the new Fleet Hotspot voucher management dashboard, you can order batches of vouchers, set up monthly subscriptions, and have complete visibility of order history at any given time.

CREW INTERNET MADE EASY

Inmarsat's award-winning Fleet Hotspot is a flexible, easy-to-manage Wi-Fi hotspot onboard. There's no need for crew to find a PC and wait in line to talk to their loved ones. They can simply log in to their Fleet Hotspot account from their laptop, tablet, or mobile phone from anywhere on the vessel at any time. Crew manages their access whenever they need it.

PAYMENT METHODS

We understand that flexibility is important, so we offer a choice of payment options.
