

# Coverage for IsatPhone, LandPhone and FleetPhone during satellite repositioning process

This map depicts Inmarsat's expectations of coverage during the repositioning of its I-4 satellites. The red area indicates where IsatPhone, LandPhone and FleetPhone services will be temporarily unavailable. This map does not represent a guarantee of service. The availability of service at the edge of coverage areas fluctuates depending on various conditions. Please refer to [inmarsat.com/coverage](http://inmarsat.com/coverage) for further information on timescales. Satellite phone services outage September 2008
