

# Channel number map post repositioning

This map depicts Inmarsat's expectations of coverage post repositioning of its I-4 satellites. Outside the 20 degree contour line shown above, greater care may be required by the user to obtain service, depending on local topography and product used. Inmarsat will not guarantee service outside the 10 degree coverage area shown. Please refer to [inmarsat.com/coverage](http://inmarsat.com/coverage) for further information on timescales. Satellite phone services coverage (channel number) October 2008
