

SINGAPORE EXPORT CONTROL COMPANY COMMITMENT

6th August 2020

CLASSIFICATION: PUBLIC

Inmarsat is fully committed to complying with the Strategic Goods (Control) Act (SGCA) and the Strategic Goods (Control) Regulations (SGCR) when exporting Dual Use Goods.

Inmarsat understands that a permit is required prior to any export, re-export, transshipment, transit, intangible transfer of technology of strategic goods and strategic goods technology in the Strategic Goods Control List and under "catch-all" provision where all goods and technology intended or likely to be used for weapons of mass destruction purposes.

Inmarsat has taken time to develop and implement an effective Internal (Export Control) Compliance Program (ICP) and will ensure that resources are available and prioritised for ensuring the ongoing effectiveness and management of this program.

Any questions or clarifications should be directed to our Export Control Officer in advance of any potential violation of either the SGCA or SGCR.

Special care would be taken to prevent transactions or dealings with countries or entities involved in the proliferation of nuclear, chemical or biological weapons or missiles delivering these weapons.

All employees are responsible for supporting the principles contained in this policy.

A handwritten signature in black ink, appearing to read "Vinod", with a horizontal line underneath.
