

Inmarsat Leasing Services

Supplement terms and conditions

– Lease flexibility

The following supplemental terms and conditions - lease flexibility ("Supplemental Terms and Conditions") apply to individuals and entities ("Customer(s)") purchasing and using Inmarsat leased space segment capacity services with a lease flexibility option wherein the Customer may change a standard Inmarsat BHSD service to a Fleet service or vice versa within the same satellite region ("Lease Flexibility") offered by Inmarsat Solutions, Inc. ("Inmarsat").

- (A) Inmarsat agrees to provide Lease Flexibility from time to time as requested by Customer and Customer will take and pay for Lease Flexibility as set forth in these Supplemental Terms and Conditions, in addition to the applicable Inmarsat Leasing Services Terms and Conditions as posted on Inmarsat's website <http://www.inmarsat.com/inmarsat-solutions> (collectively, "Terms and Conditions").
1. Lease Flexibility is only available to Customer upon the Customer's request pursuant to the Terms and Conditions.
 2. Customer will retain this Lease Flexibility for the Service Term and at the Pricing set forth on the Quotation Form - Inmarsat High Speed Data Lease(s) ("Quotation Form").
 3. Customer understands that any service change between BHSD and Fleet is subject to availability at the time of request.
 4. Customer must give Inmarsat a minimum of five (5) working days advance notification for any service change between BHSD and Fleet.
 5. Customer will be allowed up to a total of four (4) change requests per annum without charge. Thereafter, Customer will be charged a change request fee as mutually agreed upon by the parties and set forth in the Quotation Form.

6. Customer understands that individual change requests between Inmarsat BHSD and Fleet lease services must be at least thirty (30) days apart from the initial change request.
7. Customer understands and agrees that must have a two (2) year Service Term in order to receive Lease Flexibility.
8. Customer must notify Inmarsat's NOC of changes between BHSD and Fleet, in writing, via email using only agreed forms provided to Customer by Inmarsat.
9. Customer understands that Fleet service would be provided on the spot beams set forth in the Quotation Form.
10. Customer understands and agrees that should the Services under the Terms and Conditions be in operation under mobility conditions, only one (1) terminal may be assigned at any time to the lease group.
