THE EASY WAY TO CONNECT YOUR CREW CREW XPRESS

CREW XPRESS

Imagine the frustration of working out at sea, thousands of miles away from your loved ones, with no way of keeping in touch and feeling out of control of your life ashore.

By making internet access easily available to your crew, you can boost morale resulting in a happy, loyal and productive workforce.

Crew Xpress gives you the power to separate your operational use from crew internet use and offer them freedom to access a dedicated Fleet Hotspot crew Wi-Fi portal. They can easily pay for internet access on their own device(s) and effectively manage their lives back home when off-duty.

KEY BENEFITS

- Experience the reliability and speed of the World's No.1 Maritime VSAT service
- Simple portal managed by crew removes admin burden
- Separate seafarer and business channels
- Self-serve seafarer internet portal with variety of payment options for your seafarer
- Reliable quality global coverage
- Easy to upgrade to full Fleet Xpress

BUSINESS COMMUNICATIONS

Separates day-to-day business with a Fleet Xpress 3GB or 6GB data plan

FLEET HOTSPOT CREW INTERNET

Self-serve crew internet portal with payment options including credit/debit card, Paypal & Alipay

WHATS INCLUDED IN CREW XPRESS SERVICE?

- 1 x 60 cm Global Xpress antenna and below deck unit
- 3GB or 6GB Fleet Xpress data plan for day-to-day business communications
- Separate Fleet Hotspot crew Wi-Fi portal and bandwidth

HOW DO CREW ACCESS FLEET HOTSPOT

Gaining access is a simple 3 step process:

01 Simply select 'Fleet Hotspot' network from the device Wi-Fi settings and be automatically redirected to the Fleet Hotspot landing page.

02 Select the purchase plan or enter the voucher number.

03 Enter payment details and gain access to the internet instantly.

You can also reward and recognise your crew for good work, or holiday bonuses, by offering Fleet Hotspot access vouchers.

PAYMENT METHODS

We understand that every seafarer's situation differs, so we also offer a choice of payment options.
