CREW XPRESS

Imagine the frustration of working out at sea, thousands of miles away from your loved ones, with no way of keeping in touch and feeling out of control of your life ashore.

By making internet access easily available to your crew, you can boost morale resulting in a happy, loyal and productive workforce. Crew Xpress gives you the power to separate your operational use from crew internet use and offer them freedom to access a dedicated Fleet Hotspot crew Wi-Fi portal. They can easily pay for internet access on their own device(s) and effectively manage their lives back home when off-duty.

KEY BENEFITS
- Experience the reliability and speed of the World’s No.1 Maritime VSAT service
- Simple portal managed by crew removes admin burden
- Separate seafarer and business channels
- Self-serve seafarer internet portal with variety of payment options for your seafarer
- Reliable quality global coverage
- Easy to upgrade to full Fleet Xpress

BUSINESS COMMUNICATIONS
Separates day-to-day business with a Fleet Xpress 3GB or 6GB data plan
