Customer agrees to waive any future challenge to the enforceability of any purchase order on the basis that such purchase order was made and or confirmed by electronic means.

5. Payment terms

a) **Payment terms.** Customer must pay all Inmarsat invoices for Equipment within thirty (30) days after the date of the invoice. Where a payment due date falls on a day other than a business day, payment shall be made on the last business day immediately before the payment due date. Payments shall be made via electronic funds transfer in accordance with the remittance details specified on the invoice. Amounts not paid when due will be subject to an interest charge of the lesser of, (i) one and one-half percent (1.5%) per month, or (ii) the highest rate permitted by law. Customer must pay all undisputed amounts when due. If any portion of the amount invoiced is subject to a bona fide dispute, by Customer, Customer must, before payment for such invoice is due, give notice to Inmarsat of the amount it disputes ("Disputed Amount") and include in such notice the specific details and reasons for disputing each item. If the Disputed Amount is resolved in favour of Inmarsat, Customer must pay the Disputed Amount together with interest as provided in this paragraph 5(a) upon final determination of such dispute. Inmarsat will issue any applicable credits to Customer upon resolution of any disputes in favour of Customer. An invoice is deemed to be accepted if no written notice of a dispute is provided before the invoice due date. Customer will pay for any and all collection or litigation expenses, including reasonable legal fees, incurred by Inmarsat in collecting any late payments or late payment fees.

Inmarsat shall, on discovery of any such error, notify Customer in writing within thirty (30) days of such discovery of the intention to make such adjustments.
- c) If Customer issues a purchase order to Inmarsat for Equipment, such purchase order will be treated as an administrative document only and will not add to, delete from, or change any of the terms of this Agreement.

- f) **Right to Vary Payment.** Without prejudice to any of Inmarsat's rights under these Terms and Conditions, where Customer has failed to pay any amounts due such that Inmarsat has the right to terminate these Terms and Conditions, the provisions of Article 5(a) of these Terms and Conditions may be varied upon written notice to Customer such that the relevant payment due date shall be reduced to fifteen days after: (i) the last day of the month to which the invoice relates (for all invoicing in arrears); and (ii) the last day of the month immediately preceding the month (or period) in which Equipment is to be delivered (if invoicing is in advance).
